Attorney General John Ashcroft

US Department of Justice, 950 Pennsylvania Avenue, NW

Washington, DC 20530-0001

Dear Mr. Ashcroft:

I am writing you today to voice my opinion in regards to the Microsoft anti-trust dispute. I support Microsoft and am eager to see this dispute come to a timely end.

This agreement is thorough and was reached after extensive negotiations and three years of anti-trust dispute. Microsoft has agreed to carry out all provisions outlined in this agreement, such as: disclosing more information about certain internal interfaces in Windows and granting computer makers broad new rights to configure Windows so as to promote non-Microsoft software programs. A technical oversight committee has been created to monitor Microsoft compliance, and companies can sue Microsoft if they feel the company is not complying.

We are facing very difficult economic times. We must do all we can to focus on our lagging economy. It is time to let Microsoft move on and forward. Thank you for your support.

Sincerely,

Thomas Miller
